per temporary financial support

In order to be considered for admission an applicant must demonstrate the ability to pay for expenses not covered by the normal merit based scholarship. This means that an applicant's demonstrated need and their ability to cover additional costs in addition to tuition fees on campus room and board eat ins transportation and personal expenses will be considered by the admissions committee. In an application is being submitted for admission into the college the normal merit based scholarships are available to international students please note that international students are not eligible for institutional need based aid or federal financial aid. If it is determined please report the amount of money contributed each year to fund the annual cost of attendance at the college reported in dollars.

	<i>first year</i>	<i>second year</i>	<i>third year</i>	<i>fourth year</i>
<i>student's resources of personal and parental</i>				
<i>scholarships</i>				
<i>other</i>				

If you are receiving funds from a sponsor please explain below

Additional Information

If you would like to share any additional information, please do so below:

We certify that the information provided on this form is true to the best of our knowledge. We understand that additional documentation will be required to verify information provided if admitted in to the college.

Providing false information may result in the college revoking its initial decision to admit a student.
